1 nite a man had a dream. Across the sky flashed scenes from his life. He noticed two sets of footprints in the sand, one belonged to him + the other to the LORD. Some glimpsed the future. Some ripped up the courts in 3 on 3 basketball. Regardless of what we did at the first Sophomore Day ever, We all had an un-

forgettable time. Tennis, basketball, softball, and volleyball games were enjoyed by all. The three legged races left us struggling on the ground and erupting with laughter. The day was ended with a slide show that captured all the spirit and ingenuity of the class of 95. Many of us watched with tears in our eyes. Sophomore day was an experience that made us all realize "That's what friends are for."

# Boys' Spring Track

## Throw, Jump, Run Hard

After a strong spring season in 1994, the seniors look to dominate the Atlantic Coast League with team work and a deeply fielded squad. Tri-captain Jack Kovatch, who was among the top of the league last year in the discus, hopes to score big in the throwing events, high jump, and sprints. Tri-captain Pat Preston, also a highly ranked discus thrower, plans for some huge tosses in the javelin. Tri-captain Dave Rizzotto, the team's mid-distance specialist and relay member, predicts stellar performances from the whole team, namely the upperclass veterans. Andrew Leahy, an all-season runner, will once again provide much needed points in the distance events as well as Tim Wright in the triple jump and Pat Michaels in the shot put. Matty C., the Rocket, bataca wars, our freshman year, the longlasting friendships, and the tremendous spirit and positive attitudes on the team and about this highly disciplined sport will forever be remembered.

## "THINKING"

If you think you are beaten you are;  
If you think you dare not you won't;  
If you like to win, but you think you can't,  
It's almost a cinch you won't

If you think you'll lose you're lost;  
For out in the world you'll find  
Success begins with a fellow's will;  
It's all in the state of mind.

For many a game is lost, ere even  
A play is run, and many a coward  
Fails ere even his work is begun.

Think big and your deeds will grow,  
Think small and you'll fall behind.  
Think that you can and you will;  
It's all in the state of mind.

Life's battles don't always go  
To the stranger or faster man.  
But sooner or later, the man  
Who wins is the man who thinks  
He can.

The Girl's Field Hockey Team had a great season thanks to the coaching of Ms. Gordon and the leadership of co-captains Liz Dacey and Kelley DeRubeis as well as seniors Liz Wessen, Sue O'Hare, Andi Camilleri, Sarah Noblet and Jen Flatley. The Harborwomen had many strong performances, but probably one of their most memorable was their 4-0 win against Silverlake. This win gave the Harborwomen the points they needed to qualify for post season play. The girls made a great showing in the State Tournament, bowing out after losing 1-0 to Somerset. The team finished fourth in the Atlantic Coast League with a regular season record of 8-6-4.

## Boys' Cross Country

Battling through a tough season of injuries the 1994 Boys' Varsity X-Country Team finished with a record of 3-6. During most of the duel meet season, 4 of the top 5 runners were sidelined yet, through a stronger showing in the post season meets at Franklin Park outstanding contributions were made to the team by seniors Dave Rizzotto and Andrew Leahy. For almost all of his career Andy, a 4 year veteran, has been scoring crucial points for the boys' team. His commitment to running has made him an ideal role model. Dave, was a 2- time capt. and his amazing leadership, athletic ability, & dedication were an inspiration to everyone.

## GIRLS' CROSS COUNTRY

The 1994 Girls' Varsity Cross Country Team was the strongest team Hingham ever fielded, finishing with an impressive 7-2 record. At the Division II State Class Championships the girls captured 8th place out of 39 teams, the best finish in the High School's history. Senior captain Janice Martin added much needed enthusiasm and support throughout her four years of competition. Her co-captain Christine Haggerty was a two time Atlantic Coast All Star and Hingham's first runner. The depth of this year's girls' squad promises even greater success in the years to come.

# Girls' Soccer

Go hard or  
go home

For the First time since '89, the Hingham High Girls Soccer made it to the State Tournament. The Team was led by coach Kristen Parnell and captians, Rori Sullivan and Meg Valas. The team's accomplished goal to qualify for the state tournament was not easy. We earned key points in the Whitman Hanson and Rockland games. Once we were in the tournament we advanced to the semi-finals and suffered a tough loss to Duxbury, the State Champs. Much of the teams success was due to the strength of the seniors. Corey Mullen, Meg Valas, Alyssa York, Jen Layden, Sue Layden, Anne Watson, Rori Sullivan, and Deva Amontea. This was definately an unforgettable season placing fifth in the Atlantic Coast League, defeating East Bridgewater in a shoot out and bringing Hingham girls soccer back into the spotlight. Consequently all our hard work and three-mile runs payed off.

## Kicking on to Victory

The 1994 season brought much success for the Harbormen Soccer Team. This year they reached the South Sectional Finals for the first time in Hingham's history. This team was led by captains T.J. Bonner, Dave Delgallo, and Joel McBride, who provided the leadership that was necessary for big games. The Harbormen ended the regular season with a 12-5-1 mark, and exceded all expectations in the tornament. In all 4 games, they were the underdog. In the first game versus Wellesley, seated seventh, both teams were scoreless until Mike Sheriden scored off a corner kick. The second game, against Holliston, was a tough game were again the goal was scored with just a few minutes remaining. They then went on to beat Nauset 1-0, but fell to Duxbury in the finals. It was a year of many milestones, such as the First Sectional Finals and Coach Farell's 100th win. It was a season worth remembering.

Led by first year Coach Ged Phelan, and a solid corp of Seniors, the team put together an impressive four game winning streak to finish off the season. Seniors: Geoff Dillard, Adam Cole, Matt Godfrey, and Corey Farina all contributed in leading this year's successful program. The team played their hardest every single game, without a thought of ever backing down. They are to be commended for their great efforts.

The team ended the season with a winning overall record of ten and ten and gained entrance into the State Tournament. This year's Winter Track season was challenging, but fun. We had nine Seniors, some veterans and some beginners. Our strongest long distance runner was Capt. Christine H. who's best race was the one mile. Rori, another Captain, was our best short distance runner. Stacey O. was the number one high jumper, who has the capability to jump at least 5' 2". Capt. Janice M. gave her best in the 1000 and shot put. Capt. Jen Layden was an awesome 600 runner. Sarah G. and Sarah M's inspiration, always had the "who cares" attitude and it put everyone running the 300 at ease. Gormley also threw the shot put and did well as a beginner. Marks did her best in the 300, also as a new comer. Sue ran the 2-mile and always had to wait until the end of the meet for her race. Although we lost most of our meets we were in good spirits and the bus ride with tunes from the '80's made up for it

## H.H.S. Student Council

The HHS Student Council is led by Deirdre Keely - President, Mike Sheridan - Vice President, Alyssa Blowers - Secretary, Wes Hutcheson - Treasurer, and Mr. Low - Advisor. The entire student council consists of ten reps. from each of the four grades. Every rep. is a member of a committee which meets once a week. The committees include: Publicity, Activities, Fund-raising and Concerns.

The Student Council is involved throughout the year in many diverse activities designed to promote school unity and spirit. The Council also recognizes outstanding student and faculty contributions.

### Class of 1995's Student Council

The class of 1995 Student Council has worked hard for four years to make the class of 95's stay at HHS unforgettable. "Sophomore Day" was an event that took months to create and plan, and because the Class of 95's Reps. are always successful, Sophomore Day was a blast!

The Junior Prom was one of the most memorable events. Who could forget "Club HHS"?

The Senior Class won the wall and float competitions this year. "The Game of Life" was the theme for the wall and "Right Now-Its Our Tommorrow" was the theme for the float.

The Senior Reps have been very successful for 4 years because they are responsible, dedicated and hardworking. Mr. Holley and Mr. Worden, the class advisors, were very supportive and helpful to the class.--Thanks you guys!

The Hingham High School Chapter of the AFS Club, is the largest club at Hingham High. AFS stands for American Field Service, it was set up by ambulance drivers after W.W.I as an International exchange program for students. The Hingham Chapter is responsible for supporting the foreign students who stay in Hingham and encouraging Hingham students to study abroad. This past year, the AFS Club raised \$500 for charity, had a rake at the Hingham Friends Home, and went on an exchange to Lenoir, North Carolina. The club this year was headed by co-presidents Ane Coughlin and Chrissy Hickey, vice-president Aidan O'Hara, treasurer Nicole Kimborowicz, secretary Cindy Gargano, and teacher advisor Iris Gillard.

# Amnesty International

This year Amnesty has had a rockin' good time!! Each week we have been diligently writing letters to really cool places like Afghanistan to help wrongfully imprisoned and persecuted people around the world.

# Drama Club

(l-r) Bob Wessen, Sarah Daubenspeck, Ann Waters, Andy Schomer, Brian Smallwood, Ann David, Emily Bartholomew, Stephanie Davis, Caitlyn Harvey

The Drama Club of the Class of 95' was outstanding. Our musicals; "Fiddler on the Roof", "42nd Street", "Fame", and "The Music Man", were fantastic shows under the direction of our glorious leader Mr. Higgins. Festival successes included "Midsummer's Night Dream", "Fortress", "Competition Piece", which we took all the way to the New England Drama festival, and our currently unnamed show that we wrote ourselves (guinea pigs). Our annual trip to New York was one of the highlights of the year. Three Broadway shows and the politically incorrect comedy club were just a few of the amazing things we saw each year. The club was the closest group. The friendships and the great times we had together, we will never forget.

THE THESPIANS-below, are a select group of Drama Club members that have been active for more than two years and have been in many performances as an actor/actress or crew member.

# Mixed Chorus

Chorus Officers

From 1991 to 1995 The Hingham High School's Chorus sang everything from "Hai-Wa-Ba Bowe", the ever-popular African tune, to Mozart's Coranation Mass. Along the way popular favorites like "Lord of the Dance", "Ride on King Jesus" and "Ave Maria" helped The Hingham High School Chorus achieve state recognition as they performed as a whole choir, at the 1995 All-State Festival.

In 1992 the class of '95 explored the many wonders of Italy , taking home memories of an inviting fountain and "Riding the Maeshro". In 1993 it was off to Northport, New York to perform and then sit back and rest through the "Magic Flute". The year of 1994 brought the HHS Chorus to Western Conn. , where they met "Big Red" , one of Conn.'s finest singers. Senior year marked the trip to Germany and Austria. Many memories were made in Germany and during the past four years. The unity and beautiful sounds of The Hingham High School Chorus' Class of 1995 will always be remembered.

# Choral Spectrum

The class of 1995 brought many things to Choral Spectrum. One is being talented, not only in singing but in dancing as well. Through the shouting voices of Emily, Carey, and Bryan... "step...step... step...hop,hop ,hop, jump, step, step....," who could forget the amazing performances they put on year after year? Popular songs like "Sound of Silence", "Seven Bridges Road", and "Lonesome Road", topped their favorites, but songs like "I'm a Train" and all the William Byrd selections showed the true talent that this group held. The incredible harmony and pitch that this group created in the last four years will echo in the halls of HHS for many years to come.

# Orchestra

Ten years ago we lined up in the school gymnasium and struggled to play "Mary Had a Little Lamb" to an audience of proud Moms and Dads. Five weeks ago we joined the HHS Chorus in performing the entire Mozart Coronation Mass to parents, students, teachers, and citizens of Hingham; an achievement that most High School Orchestras only dream of. Under the amazing direction of Jane Hallet, the seniors Christine Haggerty, Katie Herzig, Robin Wigmore, Steph Clark, Aaron Pearl, Courtney Brown, and Andy Shomer will spend their last competition in Williamsburg, Virginia. For the past three years the orchestra has won medals in Canada, Washington D.C., and New York City. We have been well represented in District,, Semba( South Eastern Mass Sting and Band Association), and even All State! The Orchestra has taught us what it means to work closely with others in reaching common goals. What began in third grade with a simple childhood song, grew into ten years of making beautiful music.

Officers: Elisabeth Sullivan, Megan Black, Blair Lacy, Nicole Bartolotti, Jeremy Blumberg, Stephanie Clark, Colleen Dalton, Christine Haggerty, and Robin Wigmore.

# Chamber Orchestra

Hingham High School is one of the only High Schools in the country with a Chamber Orchestra. It was formed when the seniors were in seventh grade, by director Jane Hallet. The goal of the Chamber Orchestra is to perform advanced music written especially for small groups. Violinists Christine Haggerty, Robin Wigmore, and Steph Clark have been members of the group since it was formed.

Other seniors include Tim Wright, Mike Messina, Charlie Sayer, Jack Kovatch, Eric Hewitt, Stacey Seremetis, and Andrea Catalano. Highlights included a special Band concert with guest trumpeter Pat Stout, a performance opening for the '50's rock band The Platters, an appearance in the Berklee Jazz Festival, a festival competition in Williamsburg, Virginia, and an appearance at the Hanover Mall. Senior powerhouses were Luke Davenport and Grant McCarey on alto sax, Tim Wright and Matt Decourcey on baritone sax, Mike Messina and Andy Lemoff on tenor sax, Jack Kovatch on trumpet, Charlie Sayer on drums, Jeff Goodstine on guitar, and Ryan Dowd on bass. The National Honor Society is a group of students nominated by their teachers for their commitment to scholarship, leadership, character, and service. During the year the club was involved in various service projects such as tutoring, working at the Pine St. Inn, collecting food for the Hingham Food Pantry, and running a blood drive. The society's advisor was Mrs. Perelman. She and the officers set up and organized the Candlelight Induction Ceremony, which surprisingly only lasted about thirty five minutes. The members choose Mr. Dirk as the guest speaker and he filled the member with his wonderful words of wisdom. It was a memorable night.

# WHHS-TV

The crew for the WHHS T.V. gets together for a group picture.

WHHSTV was created in 1992 our sophomore year. Since then, the shows have become much more than just announcements. Most of the senior anchors and crew has been working on WHHSTV since the beginning. The "Friday Shows" were the most fun for everone. Eric's smoking and drunkdriving with "Cool Nicole" with her wicked awesome boyfriend Dave and cool sidekicks Sarah and Amy cracked us all up in homerooms. Other favorite shows were "Fear" , "Candid Camera" "Christmas at the Mall" and other interview shows. Mr. Thaxter taught all the anchors and crew so much. He deserves a lot of credit for working behind the scenes.

Although they're not seen, Seniors Andrea and Aaron work hard off camera to make the show a success.

Bottom right: Nicole, Sarah Bryan, Deirdre, Nicole, and Lauren give us some helpful tips on the upcoming weather, while on the set of WHHS T.V.

Secretary: Amanda Smally. Treasurer: Nicole Savini  
Public Relations: Dave Rizzotto, Becka McLoud

The Spanish Club at Hingham High is open to everyone, not just Spanish speakers. The focus of the Spanish Club is Spanish culture, not the language. The Spanish Club uses the money they raise from fundraisers like candy sales to go to Spanish plays such as *Don Quiote de la Mancha*, restaurants and to have get togethers. The Spanish Club also explores the Spanish culture by making Spanish food and watching Spanish movies about Spanish speaking countries and their customs and cultures. A new addition this year was meetings with other highschool's Spanish Clubs. Included in this was Braintree and North Quincy. They discussed both similar and contrasting ideas and activities of the groups. Other exciting events were Eric Juholua's aerobic fever. This workout party was a nice try just like Jen Yeo's deeply planned field trip to Spanish speaking television studio, Channel 19. Dave Rizzotto's spectacular visual posters combined with Amanda Smalley's heart wrenching announcements made hopeful prospects desire admittance to the club.

The French Club is a group of students who get together once a month to watch french flicks and eat pizza. Some students also have visited Quebec city, as well as Paris itself. There is no real commitment with the club, it is just a fun time for kids who want to learn a little more about French outside the classroom.

# Harborlight

The Harborlight was published six times this year by the staff during the three seasons. Subjects included updates on the various sports teams, the drama production, chorus, band, and orchestra concerts, and club activities. Public issues were examined and debated and interviews of the exchange students were conducted. Political views were stated as well as movie and book reviews. Creative works were also published in forms of stories and poems. The editors and the staff meet once a month to discuss a current theme and assignments and deadlines are given.

# Volunteer Club

This year the Volunteer Club was extremely dedicated and was involved in numerous activities to help the community. In addition to the club's weekly visit to the Cohasset Knoll, the donations to the Pine Street Inn swelled to \$400. Volunteers, games, and stories brightened the lives of children at risk at a local motel. Many thanks to all the members for their dedication which made a difference in other's lives.

# Students for Environmental Action

Students for Enviromental Action, the enviromental club at the High Scool, meets every Friday afternoon. We crush the aluminum cans thrown out at lunch and we also collect all the white paper thrown in the green recycle boxes. This year, SEA has grown considerably. Led by Amy Kaye, Aidan O'Hara, and Eric Juhola, the club has raised more than \$100. Along with the work, SEA has a lot of fun. Last summer, we went camping. This year, hikes and canoe trips are planned. Most seniors in the club have been with SEA since freshman year and are extremely dedicated. Thanks everyone for a great four years!

# Diversity Club

This year, the Diversity Club has worked hard to earn the respect of both our peers and the faculty. Together, we have attended awareness rallies and hearings and issued surveys to find out what our school thinks. We meet every Wednesday afternoon to discuss different tolerance issues affecting our school. We are planning an assembly at which students will be able to discuss differences they have with each other. Led by Eric Juhola, we are a club dedicated to understanding and respecting everyone's differences. We also want to spread the word about our goals. We hope the club will continue helping students feel safe and comfortable in our school. Thanks Mrs. Flaherty and HHS.

# Math Team

The Math Team had a groundbreaking year this year. We won a meet for the first time in ten years and our participation on the team is at an all-time high. We also had some tasty donuts and other assorted pastries. Advisor Baisden and Advisor Olson led the troops into battle against teams from all over, but we showed them who was boss. Seniors Andy Lemoff, Kevin Porter, Greg Devine, Pat Preston, Jack Kovatch, Sarah Markowicz, and Nicole Kimborowicz did some serious hardcore math, and brought the team to the highest echelon possible in Math-Teamdom. Good luck to next year's seniors, don't forget THE QUADRATIC FORMULA!!

Club members set up salt water aquariums, create games, stories, and projects for the students. The club also takes trips to local aquariums and other oceanography institutions. Club members include: Lauren Gallagher (Skipper), Wes Hutcheson (Vice President/Burser), Todd Donovan (Mary Ann), Mike Salerno (Gilligan), Karina Line, Beth Murphy, Jack Manchester, John Welch, Nicole Peterson, and Michelle Tardinico. The club is advised by Mr. Crowley.

No one told us it would be this hard. No one told us it would be this time consuming. No one told us it would be this much work. But, we honestly have to say, now that it's over, we'd do it again.

We started out with over 50 kids on the Yearbook Staff and it dwindled down to a few dedicated people. With the help we received we raised money during the summer for an extra sixteen pages of color. Our goal was to make our yearbook diverse and we are hoping it is Hingham High's best yearbook ever.

We would like to thank Mr. Boddie for listening to all of our complaining! To the Senior Class, for giving us \$1500. To the Janitors, for letting us in the building on all those Saturdays and Sundays to work on the book. To every single person who helped write stories and brought in pictures, you made our yearbook what it is. Thank you and enjoy these memories that we all will never forget!

A special thanx to the class of 1995 for their generous contributions of pizza, subs, and chinese food, it was much appreciated.

Hey, have you ordered your yearbook yet?!!

Howling madmen penetrate the night with violent rage,  
It's the coming of a new age

Oh dawn please shed your light  
For you must hide what is growing in the night.

A new kind of solider,  
Waging war for freedom and fun  
They will not stop till the battle is won.

Oh dawn hurry to enter the skies  
For I have seen fire in their eyes

They are coming. Can't you see?  
My God what a mess this will be!

## THE STRANGER

The stranger knocks upon your door tonight  
He has been outside for months  
Cold cool rain dripping from his brow  
His only possession: a heavy woolen coat of solitude.  
He can't remember what it's like for his eyes to be dry  
Trying to forget the cold sholders of cabins past  
He knocks again, waiting for a reply

Ask yourself,why wont you let him in?  
He is cold, becoming deathly sick of this falling pain  
Why are you scared? Why do you mourn for love lost?  
When a second chance to live is at your door.  
Don't raise the dead, forget what's in your head.  
Go to the window, pull back the shade,  
Look through his dark appearance. you see?  
He is just a shy man seeking shelter in your arms.

She is the one!  
Opening the door with a timid hand  
Casting them into a sunny land ,  
His coat of solitude falls, revealing his true naked self  
Arms wrapped around, he enters her,  
Forever engraving himself in the heart of stone  
Which now beats love.

# Blood Drive

Drew gets nervous after seeing the needle.

Many dedicated people prepared for weeks to make sure that this year's Blood Drive was a success. Mrs. Duffy's two advanced Anatomy classes planned the big day, headed by Janice Martin and Grant McCarey. This Blood Drive was the biggest turn out in Hingham High History! More than 100 people showed up, but only 74 gave blood due to time and space. More than a few people felt queasy, but they were all involved in a great cause, working together.

▲ 1994 Homecoming Court: (L-R) Matt Cataldo, Deirdre Keeley, Wes Hutchinson, Nicole Savini, Corey Farina, Yasmin Howes, John Welsh, Rori Sullivan.

This year's Homecoming events were the best yet. At the pep rally, football players got to dance with that "someone special". The next day, the crowd overflowed the field as more than 2,000 fans came out for the big day. The Homecoming court was escorted to the game along with floats that each class created to show their school spirit. The Seniors won the float contest (big surprise), and Wes Hutchinson and Yasmin Howes were crowned King and Queen during halftime. The exciting game against the D-Y Dolphins ended in a big victory for the Harbormen, with the final score being 20-18.

we could ever have!  
Love,  
Court and Al.

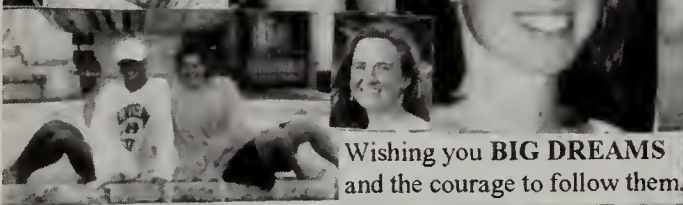

The greatest pleasure in life is doing  
what people say you cannot do.

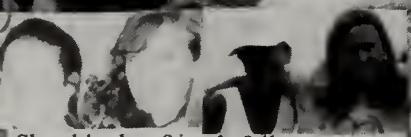

Friends laugh at your silliest jokes,  
put up with your worst moods,  
go along with your craziest ideas  
and always see the best in you.

Don't lead me, I may not follow.  
Don't walk behind me, I may not lead.  
Walk beside me and be my friend.

Wishing you **BIG DREAMS**  
and the courage to follow them.

Should other friends fail you  
Should their smiles turn to frown,  
Dear heart, I will be near you.  
Should burdens bear you down.

While laughter lights your pathway  
other friends share your smile  
There's no room now beside you  
And I will bide the while.

If dark clouds some day gather  
Please share your cares with me  
In the meantime I shall pray  
That need will never be.

Don't be dismayed at good-byes  
a farewell is necessary before  
meeting again, and meeting again  
after moments or lifetimes is  
certain for those who are friends
